

BIOSIS Select

The following is a list of the major subject areas covered by BIOSIS. This list is expanded to show the sub-disciplines available in each subject area. A list on any subject area can be combined with other criteria, such as geopolitical location, for greater specificity. This subject list is for information purposes only and is subject to change.

- Aging**
- Agrichemicals**
- Agriculture**
 - Agronomy
 - Animal Husbandry
 - Horticulture
- Allied Medical Sciences**
 - Aerospace Medicine
 - Audiology
 - Biomedical Engineering
 - Chiropractic Medicine
 - Clinical Chemistry
 - Dental Technology
 - Hospital Administration
 - Medical Genetics
 - Nursing
 - Occupational Health
 - Optometry
 - Osteopathic Medicine
 - Pharmacy
 - Physical Medicine and Rehabilitation Podiatry
 - Public Health
 - Serology
 - Speech Pathology
 - Sports Medicine
- Animal Care**
- Anthropology**
 - Human Ecology
- Aquaculture**
- Bacteriology**
- Behavior**
- Biochemistry and Molecular Biophysics**
 - Bioenergetics
 - Enzymology
 - Molecular Genetics
- Biodiversity**
- Biomaterials**
- Bioprocess Engineering**
- Biosynchronization**
- Botany**
- Business and Industry**
- Cell Biology**
 - Membranes
- Chemical Coordination and Homeostasis**
 - Endocrine System
 - Immune System
 - Integumentary System
 - Urinary System
- Chemistry**
- Communication**
 - Linguistics
- Computational Biology**
 - Computer Applications
 - Mathematical Biology
 - Models and Simulations
- Conservation**
 - Wildlife Management
- Cosmetics**
- Development**
- Economic Entomology**
- Economics**
- Education**
- Environmental Sciences**
 - Climatology
 - Ecology
 - Estuarine Ecology
 - Freshwater Ecology
 - Groundwater Ecology
 - Marine Ecology
 - Subterranean Ecology
 - Terrestrial Ecology
 - Geology
- Equipment, Apparatus, Devices and Instruments**
- Evolution and Adaptation**
- Exobiology**
- Foods**
- Forensics**
- Forestry**
- General Life Studies**
- Genetics**
- Government and Law**
- History**
 - Biography
- Infection**
- Information Studies**
- Ingestion and Assimilation**
 - Dental and Oral System
 - Digestive System
- Mathematics**
