THOMSON REUTERS®

2019 SUMMER ASSOCIATE PROGRAM (SAP)

SAP is a 10-week internship program and the direct pipeline into our full-time Management Associate Program (MAP). Since 2001, MAP has helped develop and grow high potential talent to become world-class leaders and managers in a rapidly evolving company.

LOCATIONS: DALLAS (TX) | MINNEAPOLIS/ST. PAUL (MN) | TORONTO (CAN)

*Carrollton

*Eagan

By taking part in this program, you will be placed into a 10-week, high priority assignment in the business and gain exposure to Thomson Reuters senior management. The program also includes a team-based summer business challenge in which you will work with a team of fellow Summer Associates to solve a high-priority business challenge. Teams will then present to senior leaders and sponsors. Through this enriched experience, you will benefit from learning and coaching, networking opportunities and peer mentorship.
