

Document Management System (DMS) Integration

These terms are applicable only to the extent that you subscribe to the Syncly DMS service as set forth in the Ordering Document.

1. **Transfer Limit.** You agree you will not transfer more than one (1) terabyte of Your Data in any annual period of the subscription term between the Service referenced in the Ordering Document and your document management system(s) via the Syncly DMS service. Additional terabytes for data transfer are available for purchase.

2. **Tenancy.** Except as otherwise expressly set forth in the Ordering Document, the Syncly DMS service may be hosted in a single or multi-tenant environment in our discretion.
