

Sustainable Development at Thomson Reuters

Partnering for **Impact**

ENTERPRISE PRODUCT LISTING

Thomson Reuters products and partnerships that support the United Nations Sustainable Development Goals and create a positive impact.

How is Thomson Reuters supporting Sustainable Development through its own products and partnerships?

The following demonstrates how we are creating a social impact and aligning to the United Nations Sustainable Development Goals through a number of our own products and thought leadership.

End poverty in all its forms everywhere

[LEADERS OF SUSTAINABLE DEVELOPMENT](#)

Thought Leadership site on sustainability.thomsonreuters.com focusing on the role gender equality plays in sustainable development.

Interviews and perspectives from our external partners as well as our own senior leaders.

[ALERTNET BY THE THOMSON REUTERS FOUNDATION](#)

AlertNet is a free humanitarian news service run by Thomson Reuters Foundation covering crises worldwide.

[PLACE BY THE THOMSON REUTERS FOUNDATION](#)

Reporting that explores the complex social, economic and political effects of inadequate land rights – from environmental sustainability and food insecurity to the potential for conflict and war.

[ZILIENT.ORG WITH THE THOMSON REUTERS FOUNDATION](#)

An online platform building a global network of people interested in resilience, in partnership with the Rockefeller Foundation.

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

[9 BILLION BOWLS REPORT](#)

Thought leadership report on how data is the solution to food insecurity.

By 2050 there will be 9 billion people on the planet, but with food resources struggling to provide the needed nutrition, alternatives need to be sought to feed the world's population.

[THOMSON REUTERS AUMENTUM OPENTITLE](#)

Product within our Tax & Accounting suite.

Partnering with communities across the world to offer a sustainable solution to increase efficiency and transparency on land rights security. By increasing transparency around access and ownership to land, and by providing solutions to maintain clear ownership rights individuals are able to invest in their own agricultural solutions and businesses, creating opportunities in rural communities.

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

[LEADERS OF SUSTAINABLE DEVELOPMENT](#)

Thought Leadership site on sustainability.tr.com focusing on the role gender equality plays in sustainable development.

Interviews and perspectives from our external partners as well as our own senior leaders.

[THOMSON REUTERS LABS](#)

Thomson Reuters Labs™ in Baar, Waterloo, and Boston collaborate with customers to solve big problems and rapidly prototype and validate solutions using data science and lean techniques. Working with external partners, Thomson Reuters Labs are active members of regional innovation ecosystems, delivering world-class solutions for customers.

Achieve gender equality and empower all women and girls

[LEADERS OF SUSTAINABLE DEVELOPMENT](#)

Thought Leadership site on sustainability.tr.com focusing on the role gender equality plays in sustainable development.

Interviews and perspectives from our external partners as well as our own senior leaders.

[TRUST CONFERENCE BY THOMSON REUTERS FOUNDATION](#)

Trust Conference is committed to finding real solutions to empower women and to fight slavery worldwide. The annual event brings together global corporations, lawyers, government representatives, and pioneers in the field of women's rights and anti-slavery.

[PLACE BY THOMSON REUTERS FOUNDATION](#)

Reporting that explores the complex social, economic and political effects of inadequate land rights – including women's empowerment through land rights solutions.

Ensure access to affordable, reliable, sustainable and modern energy for all

[POWERING THE PLANET 2045](#)

An enterprise thought leadership piece offering expert perspectives and business insights on how Earth will be powered in the next 10 – 30 years. What will be the main sources of electricity as global leaders adjust to government mandates and goals? And how will this impact business growth?

[GREEN HOUSE GAS EMISSION REPORTS](#)

A report that analyzes key trends in emissions of the top 3,500 global corporations. Findings demonstrate how emissions are impacting global targets on carbon reductions.

Reduce inequality within and among countries

[ALERTNET BY THE THOMSON REUTERS FOUNDATION](#)

Sharing news, stories and updates on major global events and issues. Many of these stories are not reported widely in mainstream news, raising awareness of the equality gap and struggles of many global citizens.

Make cities and human settlements inclusive, safe, resilient and sustainable

[THOMSON REUTERS AUMENTUM OPENTITLE](#)

Product within our Tax & Accounting suite.

Partnering with communities across the world to offer a sustainable solution to increase efficiency and transparency on land rights security.

Access and ownership to land is a huge barrier in sustainable development, without land registry individuals are unable to invest in agriculture and solutions.

[PLACE BY THOMSON REUTERS FOUNDATION](#)

Reporting that explores the complex social, economic and political effects of inadequate land rights – from environmental sustainability and food insecurity to the potential for conflict and war.

Ensure sustainable consumption and production patterns

[ANSWERS ON MODERN SLAVERY IN SUPPLY CHAINS](#)

Report and insights on Modern Slavery and how Thomson Reuters tools and solutions can support transparency and ethical business decisions:

- Modern slavery – and modern solutions
- What you need to know about antislavery regulations
- A roadmap to reducing risk
- Antislavery solutions across your business

[THOMSON REUTERS FOUNDATION STOP SLAVERY AWARD](#)

The Stop Slavery Award is an initiative by the Thomson Reuters Foundation, and an action resulting from the 2015 Trust Women Conference. The Award recognizes companies that are taking concrete initiatives to eradicate modern-day slavery from their supply chains.

[THOMSON REUTERS FOUNDATION NEWS TRAFFICKING COVERAGE](#)

We shine a light on human trafficking, forced labor and modern-day slavery.

Take urgent action to combat climate change and its impacts

[GREEN HOUSE GAS EMISSION REPORTS](#)

A report that analyzes key trends in emissions of the top 3,500 global corporations. Findings demonstrate how emissions are impacting global targets on carbon reductions.

[CLIMATE LEADERS THOUGHT LEADERSHIP ON SUSTAINABILITY SITE](#)

[Climate Leadership](#) is about being both transparent on emissions performance, and reducing emissions in line with policy guidance to stay within 2 degrees C global warming. As part of our Climate Leaders series, we interviewed a number of energy leaders; [NRG](#), [Xcel Energy](#), [Enel](#), to learn how and why a top 100 emitter of greenhouse gas is managing its carbon footprint in line with policy guidance.

[REUTERS NEWS](#)

Latest news, insights and updates from around the world on climate and the environment. Raising awareness of the latest stories and developments.

[UNITED NATIONS FOUNDATION COLLABORATION WITH THOMSON REUTERS FOUNDATION](#)

In collaboration with the United Nations Foundation, Thomson Reuters Foundation delivers intensive training programs to provide journalists and communication specialists with the correct education forums they need to understand the complex issues surrounding climate change and sustainability.

Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

[THOMSON REUTERS CLEAR](#)

Legal product to help US investigators access real time data in order to solve crimes and seek justice.

In action at the NFL Superbowl: Using intelligence gleaned from Thomson Reuters as well as undercover investigators, law enforcement agencies conducted an investigation into human trafficking, which led to the recovery of nine victims, including three under the age of 18.

[TRUSTLAW FROM THOMSON REUTERS FOUNDATION](#)

Pro-bono legal service connecting the world's lawyers with global NGOs and social enterprises to offer in-kind legal support.

[CORPORATE GOVERNANCE THOUGHT LEADERSHIP ON SUSTAINABILITY SITE](#)

Perspectives from trusted partners, companies, customers and internal thought leaders on the topic of sustainable development on our thought leadership site [Sustainability.thomsonreuters.com](#).

[LEGAL EXECUTIVE INSTITUTE](#)

The Thomson Reuters *Legal Executive Institute* brings together people from across the legal industry to ignite conversation and debate, make sense of the latest events and trends, and provide guidance as you confront the opportunities and challenges that these changes present.
