

Content Product - Artificial Intelligence Product Specific Terms

1. APPLICABILITY

- 1.1 These Content Product - Artificial Intelligence (“AI”) product specific terms (“Product Specific Terms”) apply when you purchase a license to use or access certain AI-based functionality within our services. “You”, “your” and “Customer” mean the client, customer or subscriber identified as such in the ordering document and “we”, “our” and “Thomson Reuters” mean the Thomson Reuters entity identified in the order form and, where applicable, its affiliates.
- 1.2 If there is a conflict between these Product Specific Terms and any other document forming the agreement between us, the order of precedence is as follows: order form, these Product Specific Terms, annexes, schedules and general or master terms and conditions. Any capitalized terms not defined herein shall have the definition set forth in the general terms and conditions or master terms.

2. DATA USAGE

- 2.1 Your data may be used as an input for certain AI-based functionality within our Services (“Input”) resulting in an output generated by the AI service (“Output”). You grant Thomson Reuters a license to use, modify, and adapt the Input as necessary for Thomson Reuters to perform, and improve our Services. Thomson Reuters retains all rights to any of our Property and/or content embedded in, or included with any Output, including any derivatives, or modifications thereto. You represent and warrant that you have all necessary rights and appropriate consents related to your data to allow Thomson Reuters to perform the Services and enforce our rights.
