Q & A

Special Note

Safe Harbor / Forward-Looking Statements

This presentation consists of these slides and the associated remarks and comments, which are related and intended to be presented and understood together.

Certain statements in this presentation and discussion, including, but not limited to, the company's 2017 revised outlook, are forward-looking. Forward-looking statements are those which are not historical facts and also include the company's current expectations regarding anticipated investments to improve customer experience and in higher growth businesses (and the impacts of such investments), Financial & Risk's commercial pricing adjustments and recoveries revenues and migration of legacy products to Eikon, and Legal's U.S. online legal information and transactions revenue performance.

Our actual results in future periods may differ materially from those currently expected because of a number of risks, uncertainties and assumptions. The risks, uncertainties and assumptions that we believe are material are outlined in our disclosure filings and materials, which you can find on www.thomsonreuters.com. Please consult these documents for a more complete understanding of these risks, uncertainties and assumptions. We disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. Our outlook is provided for the purpose of providing information about current expectations for 2017. This information may not be appropriate for other purposes.

Non-IFRS Financial Measures

This presentation contains disclosures of certain non-IFRS financial measures. These measures include adjusted EBITDA and the related margin, free cash flow, adjusted EPS and selected measures before the impact of currency.

Please see our earnings release dated August 1, 2017, which is available on www.thomsonreuters.com, for a reconciliation of each of these measures to the most directly comparable IFRS financial measure. You can also find IFRS reconciliations in the "Investor Relations" section of our website.
