

Go Green by [signing up for e-Invoicing](#). It's easy, convenient, and secure to get your invoice by email delivery. Sign up today and enjoy all the benefits of paperless billing.

- **Easy for you** – open an email instead of an envelope
- **Good for the environment** – less paper means less waste
- **Secure for your office** – invoice pdf is emailed to a designated party or parties
- **Synced delivery** - if you are signed up for e-Invoicing, you will automatically receive credit notes via email pdf

1

When you are signed up for e-Invoicing you will automatically receive a Credit note when a credit is issued to your account.

**Related Article:** [How do I know when a credit has been issued on my account?](#)

2

High-level information about this credit can be found at the top right corner including the credit number, account number, credit date, and if applicable the purchase order number.

3

Identify your total credit amount at a glance.

4

The Product Detail section will include line item detail for the products or services for which you are receiving a credit including quantity, unit price, tax, and total.

5

The Credit Information section will include details of the original invoice that was credited, the Credit Type, and the Reason for the credit.

6

This section includes general information on how credits are applied when the original invoice has already been paid. If you have not yet made a payment against the original invoice, it is recommended that you underpay the referenced invoice by the Credit Amount shown. Log on to [My Account](#) to view your adjusted invoice balance or to view your credit history.
