Florida Calculators and Tools

You will find the Florida Tools & Resources widget on the right side the Florida Jurisdiction page.

[Florida Tools & Resources widget](#)

The screenshot displays the Westlaw Form Builder interface for Florida. The top navigation bar includes 'All Content' and 'Florida' tabs, a search bar with 'Search Florida' and 'Advanced Search' options, and user account information. The main content area is divided into sections: 'Volume' (listing categories like Attorney Client Matters, Business Organizations, etc.), 'National Forms' (listing Business Transactions Solution), and a 'TOOLS & RESOURCES' widget on the right. The 'TOOLS & RESOURCES' widget is highlighted with an orange border and lists the following items:

- Florida Family Law Child Support Calculator
- Florida Family Law Equitable Distribution Calculator (\$50,000 and over)
- Florida Family Law Equitable Distribution Calculator (under \$50,000)
- Florida Family Law Financial Affidavit (\$50,000 and over)
- Florida Family Law Financial Affidavit (under \$50,000)
- Florida Family Law Tax Calculator
- Florida Probate Accounting
- Florida Probate Inventory
- Florida Probate Management System
- Florida Form Finder

The footer contains links for Preferences, Help, Sign Off, and copyright information for Thomson Reuters.

These are some of the most popular Florida calculators and tools on Westlaw Form Builder.

1) Florida Financial Affidavit Calculator

This calculator allows you to quickly create forms and fulfill discovery requirements. In addition, you can calculate assets, liabilities, income and expenses to generate forms.

2) Florida Probate Calculators

These two calculators, the Probate Inventory and the Probate Accounting, allow you to compile all of the information you need to quickly do an inventory and accounting, and provides links to the pertinent forms.
