The screenshot displays the Westlaw Form Builder interface for Texas ProDoc. The top navigation bar includes 'All Content' and 'Texas ProDoc' tabs, a search bar with 'Search Texas ProDoc', and an 'Advanced Search' button. The main content area is titled 'Texas ProDoc' and includes options to 'Add to Favorites' and 'Make this My Start Page'. Below this, there are radio buttons for 'Search all content' (selected) and 'Specify content to search'. The left sidebar lists various legal categories under 'Volume' and 'National Forms'. On the right, a 'TOOLS & RESOURCES' widget is highlighted with an orange border, listing several tools: 'Texas ProDoc eFiling', 'Texas Family Law Child Support Calculator', 'Texas Family Law Delinquency Support Calculator', 'Texas Family Law Divorce Inventory', and 'Texas Form Finder'. The footer contains links for 'Preferences', 'Help', 'Sign Off', and copyright information for Thomson Reuters.

This is one of the most popular Texas calculators on Westlaw Form Builder.

- **Texas Divorce Inventory Calculator**

This calculator allows you to quickly calculate the total community and separate assets and liabilities at issue in a divorce, and show how they are divided between spouses.
