

# LITHUANIA DOMESTIC REVERSE CHARGE

## NEW AUTHORITY GUIDE

THOMSON REUTERS TAX RESEARCH  
SEPTEMBER 2020 CONTENT UPDATE #1

---

### Introduction

The authority of Lithuania Domestic Reverse Charge has been added to ONESOURCE Determination, including rates, catch-all rules and cross-border logic. It has been created in accordance with the Lithuania VAT Act to account for Domestic Reverse Charge on the sale of some of the specific products listed in Article 96 of the referred legislation.

The reverse charge for the specific Goods will be driven by the establishment of the buyer in the Ship From location. Therefore, in order to trigger the Domestic Reverse Charge authority, it is necessary to set the establishment of the buyer in the Ship From location to "Yes".

As for the specific Services products, the Domestic Reverse Charge authority will require Physical Performance or Customer Location Services transaction type and will be triggered by the Tax Code of "DRC".

## PART I – UPDATES TO DETERMINATION

### Zone

The authority of Lithuania Domestic Reverse Charge has been attached to the country-level zone of Lithuania.
