

ONESOURCE Statutory Reporting
Vietnam Content Update Document

This document provides confirmation to our stakeholders that Vietnam Corporate Template contains Illustrative Model Content with legislative coverage for (Annual) Year End Reporting.

Financial Period Type:

12-Months (Annual)

Target Industry Type:

Manufacturing, Services, Generic (excl. Financial Services)

What are the legislative changes for the upcoming December 2024 financial year? If they are any, please specify them with the accounting reference numbers (e.g. IFRS 16 or local accounting reference numbers).

There is no update for the December YE 2024. Update about the Tax Pillar 2 is outside of the scope.

Is early adoption available for these accounting standards?

Not for now.
