

IP ADMINISTRATIVE SERVICES

YOUR VIRTUAL IP DEPARTMENT

GET MORE VALUE FROM YOUR BUDGET WITH COST-EFFECTIVE OUTSOURCING

We all know the paradigm: Be strategic; protect your organization's critical IP assets; spend less money doing it. Now you have an ally in the non-stop push-pull of accuracy vs. efficiency and strategy vs. tactics—cost-effective outsourcing of your routine administrative IP tasks.

Take advantage of IP Administrative Services from Thomson Reuters for docketing, paralegal support and other administrative IP tasks to get the most value from your lean budget. Ensure that your IP is protected with the most accurate and efficient support available. Options include:

- Docketing Services
- Paralegal Support
- Proofreading Services
- Post-Acquisition Project Support

FREE YOUR IP TEAM TO FOCUS ON HIGHER RETURN FUNCTIONS

While budgets are tight, staffing is even tighter. Organizations are constantly looking for ways to streamline workflow and operate more effectively. What if your team members could focus all of their energy on mission-critical activities, such as:

- Ensuring that your IP portfolio is aligned with your corporate strategy
- Reducing time to market
- Getting the most value from your innovations

Outsourcing routine IP tasks to a trusted partner gives you the confidence that your data is correct and your rights are being maintained so that you can concentrate on the issues that are most important to your organization. And, redeploying staff to more strategic functions enhances job satisfaction and improves retention.

REUTERS

BE CONFIDENT WITH ACCURATE, EFFICIENT AND SECURE PROCESSES

With IP now considered the leading asset for organizations, it's vital that each matter is properly tracked and managed so that rights are protected and value is maximized. At Thomson Reuters, we have more than 40 years of experience developing intellectual asset management solutions and providing accurate, on-time IP payment services—so we understand the importance of getting every detail right.

We use Lean Six Sigma principles and our deep expertise in best practices process development to ensure that you receive the accuracy and efficiency that you require for docketing and other administrative services. Additionally, we have numerous security measures in place to minimize risk and guarantee that your confidential data is safe, including ISO 27001 Certification for our offshore services.

ENJOY THE CONVENIENCE OF MULTI-SHORE SUPPORT

While most people recognize the benefits of offshore services, sometimes they simply can't take advantage of these offerings due to time zone and language barriers. Our blended approach allows you to enjoy the cost savings of outsourcing to another country, while communicating your needs directly with someone who is more local. Share your needs with your local liaison, and they will ensure that the work is completed correctly and economically.

PARTNER WITH THOMSON REUTERS FOR MAXIMUM BENEFIT

Entrusting your organization's innovations to an external provider requires a high degree of confidence in both their expertise and their dependability. As the leading provider of solutions and services across the IP lifecycle, Thomson Reuters is uniquely positioned to offer the support you need:

- Extensive experience in all areas of IP, with high employee retention rates
- Lean Six Sigma practices for optimal quality
- Publicly traded company with high levels of accountability

At Thomson Reuters, we partner with you to support your administrative IP requirements and ensure your long-term success.
