

Your Gateway to Middle East Investment Opportunities

Zawya Investor

Your Gateway to Middle East Investment Opportunities

Our comprehensive range of sophisticated investor solutions bring together a wide variety of exclusive online content, features, and tools, empowering investment professionals with sharper insights and a greater understanding of **Middle East and North Africa (MENA)** markets.

Zawya Corporate Monitor

The Bedrock of Our Business

Zawya's Corporate Monitor is the most comprehensive database of the top public, private, government and foreign companies in the Middle East and North Africa, and is your gateway to over 15,000 corporate profiles and 120,000+ senior officers from 21 sectors across the region.

Our dedicated team of company research analysts goes above and beyond the numbers in the news to source information through a variety channels, including the region's stock exchanges, market data, and direct contact with the companies themselves. We then analyze and verify the data independently ourselves, ensuring your ability to target and engage potential clients with the most accurate, timely, and reliable financial background data available.

Company Profile Key Features & Coverage

- ✓ Senior Officer Names & Contact Details
- ✓ Principal Business Activities, Facilities & Operations
- ✓ Major Shareholders & Key Competitors
- ✓ Direct Investments, Subsidiaries & Related Entities
- ✓ Organizational Structure
- ✓ In-depth industry classification based on sectors and sub-industries
- ✓ Standardized financial statements*

* for all publicly listed firms

Enhance your ability to target potential business and investment opportunities in the region with direct access to our in-house team of over 100 company researchers and analysts, who are ready to assist you with all your information needs through continuous membership support .

The screenshot displays the 'Corporate Monitor' interface. At the top, there's a search bar with tabs for 'Name', 'Officer', 'Brand / Agency', 'Shareholder', and 'Subsidiary / Related Entity'. Below this is a 'Build Company List' section with a description: 'Screen and reach over 120,000 senior officers from 15,000 companies in the Middle East.' The interface includes two filter sections: 'COMPANY LOCATION' with checkboxes for 'GCC', 'Levant', 'North Africa', and 'Overseas'; and 'Location of Investments' with checkboxes for 'Algeria', 'Arab Region', 'Australia', 'Austria', and 'Rakha'. Below these is the 'SECTOR CLASSIFICATIONS' section, which has tabs for 'Sectors Only' and 'Full Sectors & Industries'. It features an 'Easy Lists' dropdown and radio buttons for 'Include only if comp' and 'Include all comp'. A list of sectors is shown, including Agriculture, Conglomerates, Construction, Consumer Goods, and Education, with a 'My Selection' box on the right.
