

AUDIENCE SUGGESTED SOLUTIONS:

- Take others' perspectives
- Offer anonymous employee questionnaires
- Create affinity groups that welcome activities around shared interests

Q&A

- Rates of alcohol abuse have risen, especially amongst younger lawyers. This is another issue for firms to consider. What can firms do?
 - Review Patrick Krill's study
 - Encourage connection to others
 - Establish training to detect issues
 - Foster a culture of understanding
 - Offer social events that do not include alcohol
