THOMSON REUTERS INSTITUTE

Who We Are

The Thomson Reuters Institute (“TRI”) brings together professionals from the legal, corporate, tax & accounting, and government communities to ignite conversation and debate, make sense of the latest events and trends, and provide essential guidance on the opportunities and challenges facing our world today.

Whether through live events, global publications, or popular websites such as the Thomson Reuters Answers On® blog or Legal Executive Institute, our focus is on providing substantive, practical, global content to an ever-expanding professional audience.

TRI Webinar Sponsorships

Virtual meetings are the easiest way to engage busy and influential decision-makers. Purchasing a TRI Webinar Sponsorship affords new and established industry participants the opportunity to showcase their subject matter expertise on a wide swath of timely and compelling topics.

- **Industry Reputation** – As one of the world’s most trusted information services providers, Thomson Reuters engages global professionals at the crossroads of technology, regulation, compliance and commerce. Our formidable corporate footprint helps webinar partners reach target markets and capitalize on crucial networking opportunities with key powerbrokers and leaders.
- **Format Versatility** – Executives move at the speed of business. And thanks to enhanced technology, continuing education providers leverage virtual solutions to accommodate client needs. TRI offers a blend of pre-recorded sessions and live presentations to offer convenience and value to all.
- **Bespoke Content Development** – Our top-notch content team routinely consults with webinar sponsors to craft the most rigorous and compelling topics possible. We work hard to uphold the standard of excellence expected by our core customer markets.
- **Broad Exposure** – Registered participants have access to an archived recording within 48 hours of each presentation. In addition, select post-event summary blogs on our websites—commanding over 40,000 monthly page views—draw interest from professionals around the world.
- **On-Demand Access** – Webinar recordings are made available for on-demand access 72 hours after each recording.
