ABOUT PRP

Profit Recovery Partners is a leading national consultancy firm that has saved over \$8.5 billion for North America's top companies and Am Law 200 firms improving their bottom line by relentlessly looking for new ways to reduce expenses.

Complimentary Expense Assessment

Discover strategic cost saving opportunities based on a review of your vendor invoices and contracts presented in your Comprehensive Review.

Strategy & Analysis

Your operational expenses will be reduced by leveraging insights from line-item analysis and by negotiating best-in-class pricing.

Implementation, Validation & Verification

PRP dedicates the time needed to implement vendor agreements and use forensic verification to ensure all your pricing is compliant, allowing your team to focus on your core business.
